DETAILS

Come and show us what you will be doing in 10 years from now
in a creative interdisciplinary climate we are curating.
Nordic Table 2024 is a day of sharing ideas and perspectives.
In the end of the day, the Nordic Table 2024 will be staged and documented.
Extra guests are joining us as we prototype a pitching platform
where creators, investors, and agenda setters meet.

Nordiska Museet has hosted a permanent installation Dokade Bord since 1955.
The exhibition associates meals of five centuries, from 1500s to 1950.
Let's get together and stage an extension to the collection!

Staging Nordic Table 2024 is hosted by New Nordic Food II.
Participants cover their own travel and accommodation costs.
By invitation only.

#NORDICFOOD2024

#NORDICFOOD2024 is a series of vision workshops that look at how far we need to go to realise the vision of the Nordic Kitchen in 10 years' time. Which visions should we act upon if a stronger Nordic food culture is to become an effective solution to future societal challenges? Read more.

NEW NORDIC FOOD II

New Nordic Food II is a communication programme under the Nordic Council of Ministers that promotes Nordic food in the region and internationally. The programme is based on the New Nordic Kitchen Manifesto that was formulated in 2004. Read more.
